Warrior

As we look back on our time together, we can be proud that we lived up to the expectations unique to the last class of the millenium. With the creative talents, lasting relationships, and strong leadership our class has brought to the community, we have created a priceless legacy of memories.

2001

PRICELESS

Billerica Memorial High School

35 River Street Billerica, MA 01821

P R

The Class of 2001 has come a long way together. Memories as clear as snap-shots are a priceless part of our shared consciousness: classroom pet gerbils and dinosaur projects, Barbie and Ninja Turtle lunchboxes, snowy mornings at the bus stop, sleepy Saturday SAT tests, grad dance jitters and senior prom glitz. Long talks with Mrs. Doneski in the clinic, pig practicals with Mr. Flynn, passionate debates with Mr. Desmond. Who would give up the good, the bad, and the ugly parts of high school and who could say which was which after all was said and done? Making memories--ones strong enough to sustain us in the future when times are tough and the world gets a little cold-- is essential to the human spirit. The Class of 2001 has a treasure chest of memories that are poignant, powerful, and priceless. The following pages should open that treasure chest and reveal our riches.

Feeling Like a Celebrity: **PRICELESS**

On April 9, 1999, we had our Semi-formal. The theme for the night was Aerosmith's "I Don't Want to Miss A Thing" and, looking back on that night, the Class of 2001 didn't miss a thing. The night began with a feeling of awkwardness, as we were not used to seeing our classmates wearing something other than jeans. Everyone was gathered talking and taking pictures, but nobody wanted to be the first on the dance floor. Slowly the dance floor was filled and everyone was having a great time. This was a night we would never forget.

 Seeing your date's eyes light up: PRICELESS

After ringing in the new millennium, it was time to look for the perfect prom dress for the Junior Prom. Girls searched far and wide for a dress that would make heads turn and let them feel like Cinderella for this one special night. Guys headed to the tux shops so that they could look and feel like Prince Charming.

The big day arrived and it was not a picture perfect day, but the Class of 2001 made it feel like one. Although pictures had to be taken inside and we had to run to our car or limo so that our hair and dress wouldn't get wet, this was our night and we weren't going to let a little rain dampen our day. On Friday, May 19, 2000, we headed to the Westford Regency where friends and teachers greeted us. We danced together all night, and although we were individuals, that night we were one, the Class of 2001. It was a night to remember and we felt exactly like our theme song: we were in "Heaven."

SPIRIT WEEK 2000

Seeing Brian Carroll in a Skirt: PRICELESS.

While the rest of the world was out buying turkeys and making pumpkin pie, the halls of BMHS in November were full of costumes, streamers, and spirit. The seniors were determined to make Spirit Week 2000 their year. The class of 2001 paraded around in their best pj's, skirts, and anything green in hopes of clenching the Spirit Week title, or at least not coming in last again. It was looking pretty good for them, winning the House Office Decoration Competition for one.

It all came down to the most important event, the penny war. The seniors all came together, collecting money from the entire class all week. As they wheeled several recycling bins full of pennies into the cafeteria, the confidence was sky-high. However, in a very close race to the finish, the Class of 2001 ended up in second place. It wasn't a total loss-- second place is definitely a step up from last year. They showed the school that they do have spirit after all. Seniors all the way!

Watching Hutch spin
on the gym floor: *Priceless*

Spirit Week has come to a close-- no more wearing pajamas to school or acting like a celebrity. Now it is time to tally up the points and announce the winner to the anxious student body at the end of the pep rally. The rally was full of excitement, as usual. The tradition continued with the band's spectacular performance of "Boola Boola," the cheers of the students (with painted faces and green and white attire), and a gymnasium bursting with spirit. Mrs. Oullette pumped up the crowd with her annual "Give me a B.....!" In celebration of the Fall activities, team captains spoke of the teams' achievements of the past and goals for the future. Coach Flynn riled up the crowd in preparation for the big Thanksgiving Day game against Chelmsford. His appreciation for "the green and white" was contagious. The crowd was amazed by the performances of the cheerleaders, entertained by Hutch's dancing, shocked by the victory of the Juniors, and confused as to what the football team was doing on the floor. Yet again, the pep rally was an exciting event, filled with friendship, unity, and Billerica Pride.

Billerica Pride: PRICELESS.

On November 23, 2000, the BMHS football team took on its annual Thanksgiving Day rival, Chelmsford. Predictions did not look good for Billerica as they were thought to lose big. This did not stop Billerica from working hard in the days before the big game. Led by Senior Captains John McBride, Mike Rahn, Eddie Welsh, and Joe Panniello, the team knew they could bring home victory. The pep rally pumped up the entire team. They were certainly ready for the upset. Unfortunately, this year's game was to take place in Chelmsford. It was a close game until the very end because of the hard work and determination on the Billerica side. After our first touchdown, the team went for a two point conversion and was unsuccessful. This proved key to the outcome of the game. With Chelmsford winning 13-12, Billerica had the ball with only minutes to go. They were unable to score and Chelmsford ended up victorious. Billerica proved the predictions wrong. Losing by only one point, Billerica kept the game close.

Top: The Indians won't let the Lions score.

To the Members of the Class of 2001

I join with the Billerica School Committee, the faculty and staff of each of our schools in congratulating each and every member of the Class of 2000. May your future be filled with happiness and achievement.

You possess the tools for a successful future.

These are the tools of continued learning.

Your economic success will depend directly upon the degree to which you improve your skills, learn new skills and apply these skills to

the workplace. It is this economic success that becomes the base for the fulfillment of your dreams and hopes. In the beginning of this 21st Century, this is truly a "commencement" - a beginning of your future. Use it wisely.

Sincerely,

Dear Graduates,

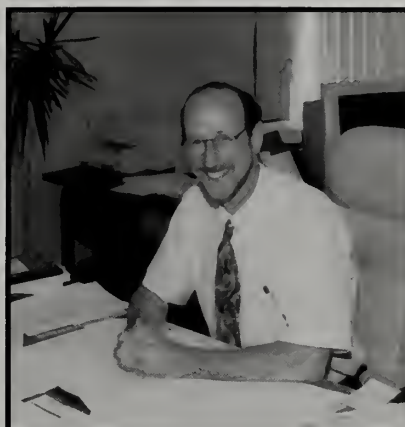

Mark Moseley said it quite well at graduation. He said, in effect, that graduation was a time for joy and for some apprehension about the changes that the future holds. Each of you will be meeting new people, seeing new places, and taking on new responsibilities. Mark goes on to say, however, that your four years have prepared you well, both academically and socially. Your presence as a graduate was evidence of your abilities to take on obstacles of all sorts and succeed in overcoming them. And, he remarked that the lessons that you have learned here in these past four years will remain with you always, and be a great asset in succeeding in the future.

We at BMHS hope that we have in some way, shared some of our knowledge, cooperative spirit, and understanding with you. And, as the years go by, we hope that you will see us as part of your large circle of friends. For, we truly are one community, here to provide the support necessary for you to succeed. That is what I feel we are truly about.

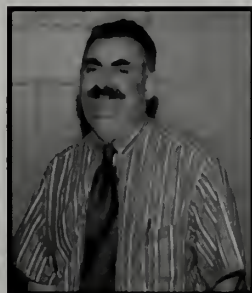

It is with the greatest of confidence that I wish you the best of good fortune. As Jason said, the future is yours. I know that you will not let it down.

Congratulations and best wishes,

Teachers:

Priceless Influence

BMHS's atmosphere of congenial learning fosters good teaching and exceptional student participation. Profiled here are some teachers who make this priceless magic happen every day. They show interest in our lives and goals. They make us eager to learn and grasp new concepts. Their classrooms are fun, challenging, exciting places to be. Their methods may vary, but such teachers elicit from us our best, while offering us theirs.

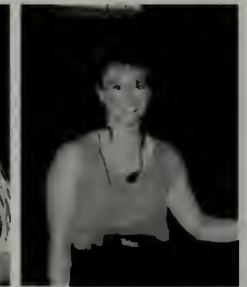

Mr. Bishop

Moving from teacher to assistant principal, Mr. Bishop got the chance to know many of the graduates of the Class of 2001. The Class of 2001 came to love Mr. Bishop as assistant principal. He took the time to get to know many of the students in his class, not just the ones he would continuously see in his office everyday. Many students never get to know their assistant principal, but Mr. Bishop tried to change that.

He constantly took an interest in our daily lives. He would stop us in the halls and ask us about our day and how our classes were going. A huge fan of BMHS athletics, he always wanted to know the score of the big game and who played well. He made every attempt possible to attend the important sporting events. Mr. Bishop was always showing his support to the Class of 2001. He would help us in any way he could. He believed in our ability in the classroom, on the sports field, and in life.

TEACHERS: *Doing What Comes Naturally*

Mrs. Breen

Mrs. Breen has a unique outlook on the world. "It's only a movie." Every student who has ever entered her classroom has heard her say those words time and time again. She gave them a whole new meaning, though. This is how Mrs. Breen refers to life. It is her way of telling us that we could make the world whatever we wanted.

She taught us that life is just a movie and we are the directors. She gave us the confidence to be our own person and follow the path that we desire. Mrs. Breen helped us become individuals, ready to enter society. She gave us the courage to stand up for what we believe is right and to never back down. Through the literature we read, Mrs. Breen taught us about life and how to live it the way we want.

She provided us with confidence and determination that we will take with us long after BMHS. Mrs. Breen has helped to prepare graduates ready to enter society and make a difference. Her influence will never be forgotten.

Coach Maggs

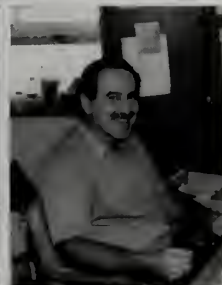

Coach Maggs has become involved in the life of almost every student at BMHS. He helps coach both football and boys lacrosse, and runs the DECA program. In the past four years he has helped to bring a super bowl victory and a state lacrosse championship to BMHS.

As if that is not enough, he has been key to the success of the business department here at BMHS. As leader of DECA, he helps future business majors prepare for state and national competitions. These students benefit tremendously from the marketing skills they learn through the DECA program. This program would not be possible without the efforts of Coach Maggs.

He organizes various fund raisers to help the students pay for the many expenses involved in DECA. He pulls together the entire school to help support those students involved in this marketing organization. Coach Maggs impacts almost every student at BMHS.

Mrs. Hagan

Mrs. Hagan is the type of teacher that is always there for the students. She uses literature to teach her students important lessons on leading fulfilling lives. Through classroom discussions,

students learn the importance of each and every choice they make.

She not only teaches important lessons on life, but she is always interested in helping her students apply these lessons. Mrs. Hagan is more than willing to sit down with students and listen to their problems. She then offers her best advice about the situation.

Outside the classroom, Mrs. Hagan has become a friend to many of us. Her interest in our lives never ended when we left her class. She constantly asks us how we are doing and about our future plans. Her constant support and belief in our capabilities has impacted our lives and forever changed who we are.

Mr. Flynn

Not many teachers have the ability to be voted most challenging and still remain one of the most popular teachers at BMHS, but Mr. Flynn does. Inside the classroom, Mr. Flynn makes his students work hard so they can learn as much as possible. He prepares his students for college because of the high level of his teaching. He always

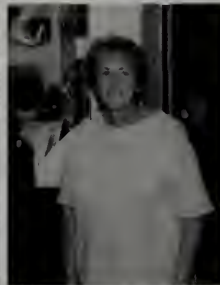

takes the time to explain a concept or provide extra help to someone who doesn't quite understand, though. Mr. Flynn is the only teacher who can get his students to return willingly to school at night to perform labs and to study for the infamous lab practicals. He makes sure his students work hard until the very end by making senior sign out almost impossible.

Mr. Flynn teaches much more than biology. He teaches us self-confidence, determination and a hard work ethic. He provides us with life lessons always worth remembering. Mr. Flynn works hard teaching both day and night school, as well as advising the yearbook, in an attempt to impact as many students as possible. Whether it is help rehearsing for a speech, writing college recommendations, or just providing personal advice, Mr. Flynn is always willing to go the extra mile to help a student. For that, the Class of 2001 thanks him.

Miss Biagiotti

Many people who never got to know Miss. Biagiotti have only heard about the three blackboards always full of notes and the two period tests you only get one period to finish. Although some chose to run down to guidance and drop her class,

she is rarely willing to let a student take the easy way out. The lucky students who remained in her class got to understand the reasons for her tough classroom tactics.

Miss. Biagiotti taught her students the satisfaction of succeeding in something so difficult. They left the classroom knowing that they had finally mastered a skill they once thought impossible. They leave having gained confidence in everything they pursue.

She forces us to work hard because she believes in our capabilities. Miss. Biagiotti knows what we are capable of and she pushes us to our full potential so we know all that we are capable of. That is what a student learns from a challenging teacher in a difficult class.

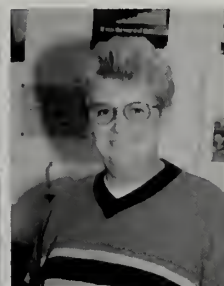

Mr. Murphy

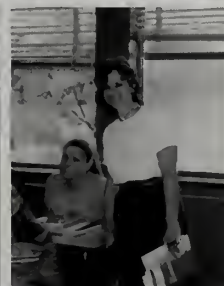

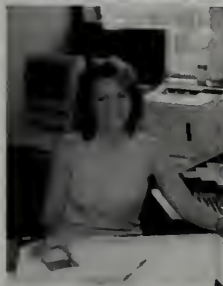

Mr. Murphy has influenced many of the students in the Class of 2001. He helps to coach both softball and girls basketball. These athletes enjoy his coaching style because their hard work has come to pay off. Within the past four years, the softball team became

Division Two North Champs, with the help of his and the other coaches direction. The girls basketball team also became MVC Co-Champs.

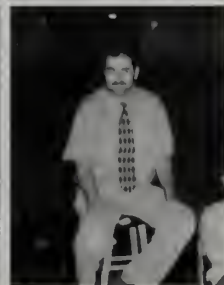

In the classroom, Mr. Murphy makes history enjoyable. His classes play trivia games before major exams to reinforce the information. He allows his students to have fun because they acquire so much knowledge at the same time. Besides all of this, Mr. Murphy is a friend to many in the Class of 2001.

Mr. P.

Every student has heard of the genius math teacher from MIT. We have all been witness to his extremely sarcastic sense of humor. Unfortunately, we have not all been lucky enough to experience Mr. P. as our teacher.

Anyone walking by his classroom has probably heard the yells and screams that go on. He is famous for chanting, "SOHCAHTOA", a useful acronym in trigonometry. The students enjoy these fun games. The most important fact is that amidst all the fun and games, the students still learn a tremendous amount of math. Mr. P. has the amazing ability to make math fun for all.

Besides teaching Mr. P. is the advisor of the school newspaper, The Billerica Beat. He puts much time and effort into each and every issue that goes to print. Few people understand the hard work that goes into that newspaper. Mr. P. is an important asset to BMHS.

Mr. McDermott

Mr. McDermott's classroom has an atmosphere like no other. The moment you walk into his room, you must think for yourself and be ready to defend your opinions. Inside his classroom ideas are thrown around and your fundamental beliefs are challenged. Nothing is assumed

to be right anymore. The key is that you are never wrong as long as you can defend what you say.

Mr. McDermott's method of playing devil's advocate is an attempt to make students form their own opinions and think for themselves. Mr. McDermott refuses to let any students sit in his classroom like lumps. He makes sure everyone becomes involved in his discussions and decides for himself or herself what to believe.

He is always willing to guide us along the way by taking extra time to answer every question and thoroughly explain every idea. He is always there to help us with our problems, but in the end, he teaches us how to work through things on our own.

Students- Priceless Contributions

Some students pass through high school hoping not to be noticed, but the halls of BMHS are filled with students making a difference. Their contributions may not be known, but it is not the fame that these people desire. Instead, they wish to make a difference, change society for the better in any way they can.

These students were dedicated in everything they did. Their accomplishments resulted from a massive amount of time and effort. These students represent the ideals of BMHS. That is why we are recognizing them here: for their accomplishments during high school and for what they are capable of in the future.

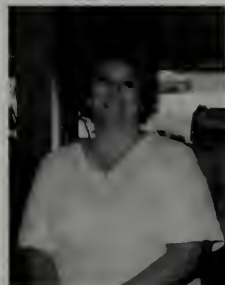

Danielle Hafey

Danielle Hafey is involved in almost every aspect of life at BMHS. She maintains solid grades, holds an after school job, and is active in the BMHS community. Many people are aware of her role in the Audio-Visual club because she continuously appeared on the morning announcements. Few people are know of her numerous other contributions to BMHS, though.

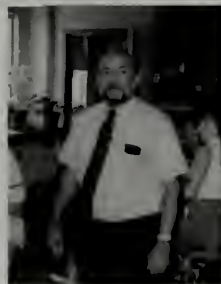

Danielle has been part of many clubs including the Sophomore Semi-Formal Committee, the Junior Prom Committee, the Senior Prom Committee, and the Yearbook staff. Along with all of this, she has helped the senior class officers with various activities and fund raisers. Much of what took place senior year would not have been possible without Danielle. She plans to continue her education at the University of Connecticut, where she will continue her success.

Brian Carroll

Brian Carroll's contributions to the high school and his community are never ending. In his free time Brian volunteered at St. Therese's Church. Here he was a Eucharistic minister, helping out with church services. He was also a member of the Community Service

Class, further serving the community. He went to elementary schools and helped with the children. He also helped make food for the Cam Neely House and collect clothes for the Lazarus House. Brian referees Billerica Youth Basketball on Saturdays. He is a major contributor to the youth basketball program in Billerica.

Amidst all this Brian achieved solid grades throughout high school. He was a two year member of the National Honor Society. He ran cross country, winter track, and played lacrosse. He is outstanding on the athletic field. Brian was a member of the State Championship lacrosse team. Brian plans on attending UMass Amherst, where he will no doubt be a success.

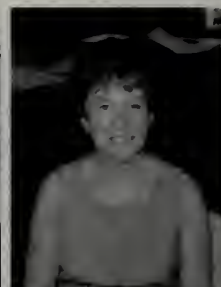

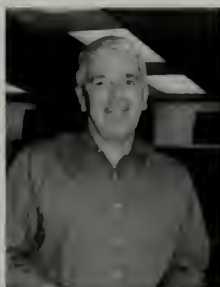

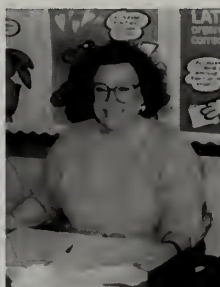

Rachael Button

Rachael Button has a wide range of activities at BMHS. She was a four year member of the Varsity Girl Soccer team; one of only two seniors to make the team as a freshman. As a senior Rachael was one of four captains that led the team into the state tournament. She received the honor of league

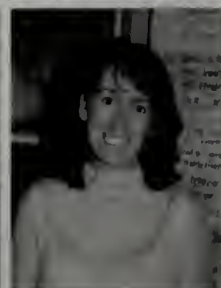

all-star, as well. She was also active in both girls winter and spring track, where she continued her athletic success.

Rachael has a tremendous singing voice. She has participated in the school musicals for all four years. As senior, Rachael was named the female lead of the musical. She is also treasurer of our class. Rachael maintains high grades and is a member of the National Honor Society. She is certainly a well-rounded student who is a fine representative of BMHS.

Stephen DeMonico

Steve DeMonico is known around the high school for his sense of humor. No one can make people laugh like Steve can. It doesn't matter who you are or how your day is going, he has the ability to make everyone laugh. This was

brought out during the musical, "How to Succeed in Business Without Even Trying." The musical was a huge success partly because of Steve's ability to bring humor into any performance.

He was a very important member of the Audio-Visual Club. He was often on the television with the morning announcements making the entire school laugh. He was constantly repairing video equipment in the library. Steve was also always willing to help his fellow classmates use any of this equipment. He would help edit and add sound effects to many students projects, often giving up his free periods to help others. Steve's sense of helping his fellow classmates brings out the ideals of BMHS.

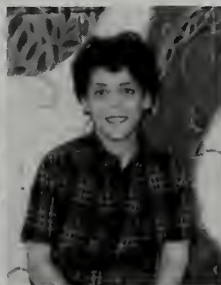

Allen Gingras

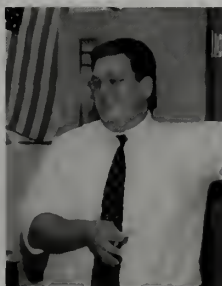

Most people are not aware of Allen Gingras' contributions to BMHS. School and an after school job are not enough for Allen. He has been an important contributor to music at BMHS. The annual S.P.A.C., Student Produced Arts Concert, would not have been possible

this year without all the time and effort Allen put into helping to organize it. Few people realize the amount of work it takes to organize such a show.

Allen was also behind the scenes of the musical. He was in charge of lighting and other technical aspects. Few people knew of his important role in this production. The performance would not have been possible without his key contributions. Allen still finds time to have his own band. He will continue his success at UMass Lowell, where he plans to further his education.

Boys Soccer

The 2000 Boys Varsity Soccer team finished with a triumphant season. They became MVC Division II champions with an overall seasonal record of 7-1-5. They pulled through in close games against Haverhill, Tewksbury, and Lowell. Their only tie came against Chelmsford in what proved to be a tough match

up. Unfortunately, they lost to Andover in post season play. This year's success was due to large contributions by seniors Jason Perrydore, Kevin Cerroni, Nick Papas, David Giordano, Brian Loughlin, Richard Brooks, and Chad Hildreth. They worked hard and kept the team on top throughout the season.

Girls Soccer

This year the girls soccer team was in the running for MVC Champs. They finished the regular season with a record of 11-3-4. With a win over Central Catholic the team moved into first place, but a close loss to Andover dropped them to second. Captains Kristen King, Brenna Newfell, Rachael Button, and Jody Graham led the team into the state tournament. Seniors Rachael

Barron, Sarah Kozlowski, Kerri Curtis, Nicole Young and manager Liz Reinecker strongly contributed throughout the season. The team moved to the second round of the state tournament after defeating Medford 3-1. Unfortunately, their team lost a close game to Number 2 Newton North. They ended the season with a strong record of 12-4-4.

Allison Cataldo had a strong season receiving the All Conference Hitters award. Meghan Lee also had a good year defensively and received the All Conference Defense Award. Wendy Riddle had a great season setting up the hitters for their attacks along with Kathleen Quin.

Senior Nicole O'Leary had an outstanding year both defensively and offensively and received the Sportsmanship Award. Kim Price had a strong season at the net blocking while Erin Kelly improved tremendously on her serving skills. Leanne Albrecht played strong defensively and showed great support to the team. Golf

The Golf Team had a great "00" season. Captain A.J. Mastrullo led the team to a 9-5-2 record and a second place finish in the MVC. Other seniors Ed Conley and Chris Fiers worked hard all season and showed

great leadership. Other players Nick Stevens and Chirs Hurley played well and helped the team make the trip to the MIAA Tournament and the team placed 2nd in the Division North Sectionals.

Getting in the Mood

Fall Cheering

The season began with a lot of ups and downs, but with a lot of cooperation and teamwork the girls pulled through winning first place in their division. Returning seniors Renee Morey, Ginger Dodge, and Andrea Ventola, Juniors Katie Brooks and Jenny Colon, and Sophomores Jamie Murnane, Meghan Holland, Andrea Vozzella, Kristin Viveros, Christine Kelly, Jessica

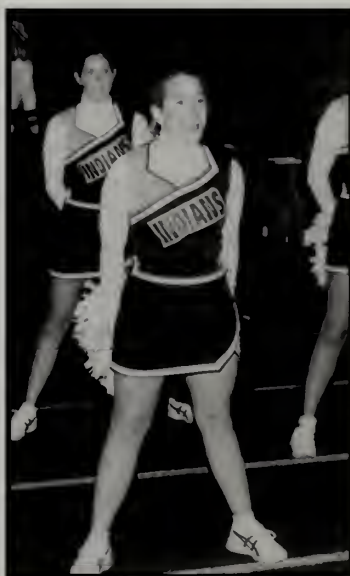

Camplese, Kristie Osborne, Katie Herbert, and Shanell Frongillo contributed to their successful season.

The girls never could have done it without the dedication and help of coach Rachel Morey. She put in as much, if not more time and effort, than the Indians themselves. All of her hardwork and the team's were greatly apprecitaed.

MVC Contenders

Football

The 2001 Indian Football season cannot be measured in victories. However, their hard work, determination and refusal to give up really reflects what the team was made up of. Each game was competitive and lasted until the whistle blew. The members bonded together as a team and took each game as a challenge to perform as a unit.

The Merrimack Valley League was tough this year with many great teams and usual rivalries. Despite their 6-5 record the Indians represented the town and fought hard every game. The team was led by Captains Mike Rahn, John McBride, Ed Welsh, and

Joe Panniello. Seniors Vaughn Francis, Pat Roach, Ryan Fraine, Brian Pynn, Pat Canty, Jeff Burke, Mark Conte, Mike Kiernan, Alex Bonacci, and Ken Murnane also showed their leadership this season.

The captains all received the honor of being named part of the First Team All Conference Players and John McBride was also named Co-MVP in the Merrimack Valley.

The Indians are grateful to Coach Flynn and his staff for their input, leadership, and discipline. The lessons learned will always be remembered by the boys as will their past seasons on the BMHS football family.

Going the Distance

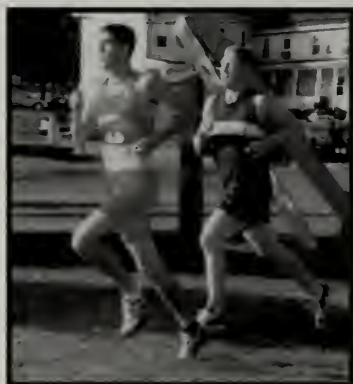

Boys Cross Country

The year started off with high expectations with only two seniors in the top five leaving, but seven left all together. Although the team consisted of many newcomers their goal was achieved by winning the division two title with the clenching win over Andover. However, their hopes of winning the MVC vanished with critical losses to Methuen, Chelmsford, and a close loss to Lowell. Representing Billerica at states wre seniors,

Mike Fidler, Andy Jones, Dave Torrice, Bobby Jones, and Mike Peete. Juniors were Ryan Hough and Dave Horsman.

All Stars Ryan Gough, Mike Fidler, Dave Horsman, Andy and Bobby Jones along with seniors, Brian Carroll and Kevin Moore, contributed to an excellent season.

The team would also like to thank Coach Granfield and Coach Fay for their dedication and support.

Girls Cross Country

Despite the losing record this season the Girls Cross Country team still managed to have a lot of fun. With a record of only 2 and 8 the girls completed the regular season with a win against Tewksbury for the first time in history. Jess Wilson and Danielle Cartier were selected for All Stars of the Merrimack Valley.

Freshmen Jess Wilson and Juniors Ali Torrice and Danielle Chartier ran well dur-

ing the season. Also running well this season were Sarah Patriquin, Sue Columbus, Emily Thomson, Jenn Newcomb, Allie Locke, Sarah Smulligan, Katie Guilbeault, Ashley Dellanno, Christina McWilliams, Jen McPhilips, Jenna Glazer, Katie Haneffant, and Michele Davis. Getting Our Kicks

Swimming and Diving

Beating Notre Dame for the first time in years. Ending the season with the best record in BMHS swimming history. Claiming the title of MVC Champions. These are the major accomplishments of the girls 2000 swim team. The girls' success might not have been if it had not been for the talent, effort, and desire of the team. Led by senior captains Amy Doran, Catie Button, and Emily White, the swim team dominated their division ending with an outstanding record of 8-3. Other key performers include seniors Amy Collins, Jocelyn DeCoste, Meghan Deeney, Tracey Ings, Danielle McPhail, Andrea McPherson, and Kellie Mixon, as well as Junior Crystal Marcote and sophomore Lindsay Nardone. The Indian's divers were

also a major part in the team's victories. The amazing trio of seniors Desiree Dellano, Renee Fahey, and freshman Bethany Meagher dove to perfection in every single meet, gaining much needed and well earned point that gave the team the extra push they needed to win.

What drove this team was more than talent—it was drive. All it took was one of Buttz's speeches or inspirational sayings to get the girls going. They ignored the cramps in their legs and the throbbing pain in their shoulders and pushed themselves to the limit. The girls will never forget the fun times they had or the thrill of winning. Most of all they won't forget to "make it count."

Boys Basketball

The 2000-2001 boys basketball team geared up this year to defend their MVC title. Led by coach Kevin McDermott, Senior Captain John McBride, and Junior Captain Bryan Meuse, the squad hoped to qualify for the state tournament. Unfortunately their 8-12 record was not enough to obtain a position in the tourney. Returning for the Indians were Senior forward Bobby Jones, Senior guard Phil Haley, Junior guard Dan McKay, Junior forward Sean Glavin, and Junior forward Ryan Danchy.

Newcomers for the team included Senior guard Mike Fidler, Junior forward Kevin Brennan, Junior forward Mike Finnety, and Junior guard Tom Kircheis.

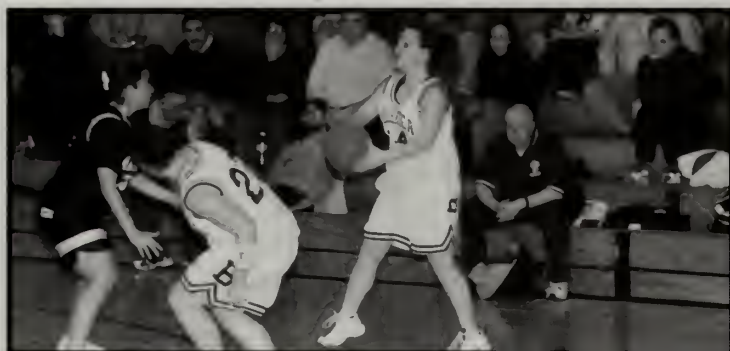

In the annual Christmas Tournament the Indians prevailed as Champions at the Tsongas Arena. The starting team used their determination, speed, and athletic ability all the way until the bitter end showing that, regardless of the season record, they still can be a force in the MVC league.

Hockey

The hockey season was back at BMHS and hopes were high for the team. Coach Jim Wronski looked forward to a good season from a diverse squad. With six returning Seniors and the addition of goalie Dennis Millman, the Indians were forceful in the MVC. Captain Dan Butcher and Assistant Captains Ryan Fraine and Paul Dubiel led the team into battle.

The Indians came back midway in the season from a slight losing streak starting out 2-6. They strung together four straight wins to bring

themselves back to .500. After a huge win over the number one ranked team in the state, Arlington, the Indians knew that they could beat any team in the league. With a 9-9-2 record the Indians clinched a spot in the MIAA State Tournament. There they faced St. John's and unfortunately lost 2-1 in overtime. Their confidence, skill, and strong optimism helped show how much pride the boys had. Good luck to next year's team.

Gymnastics

The 2000-2001 gymnastics season was one to remember. Led by senior captains Kim Dulong, Renee Fahey, Laura Greeley, and Allisa Morrison, the team tied for first place in the league. The success of the team could be attributed to the hard work and dedication of the gymnasts on the team.

The season started off with a bang as Billerica went on to defeat both Methuen and Lowell at the first tri-meet of the season. The team also defeated Wilmington and Tewksbury in another tri-meet. The Dracut meet was the closest of the season with Billerica scoring 127.4 and Dracut

scoring 127.45. Although disappointed by this close loss, the Indians could not fight the excitement of a new school record, provided by Kim Dulong. Dulong broke the school record on floor by scoring a 9.2. She now shares this record with Jen Jones.

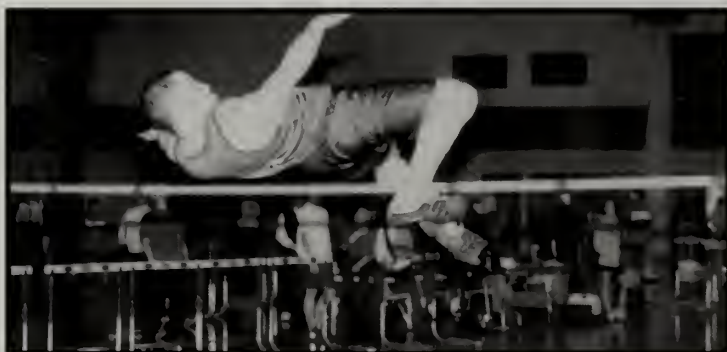

With Senior Captain Renee Fahey out for the season, due to illness, the three remaining seniors led the team to a very successful season. In their senior year, captains Laura Greeley and Allisa Morrison achieved personal bests on vault and beam with scores of 7.85 and 7.9. Kim Dulong also qualified for the individual state meet where she scored an 8.6 on vault.

The diamond men were back. Led by veteran coach Jon Sidorovich and senior tri-captains John McBride, Mike Rahn, and Chris Santasuasso, the Indians looked to win the always tough Merrimack Valley Conference.

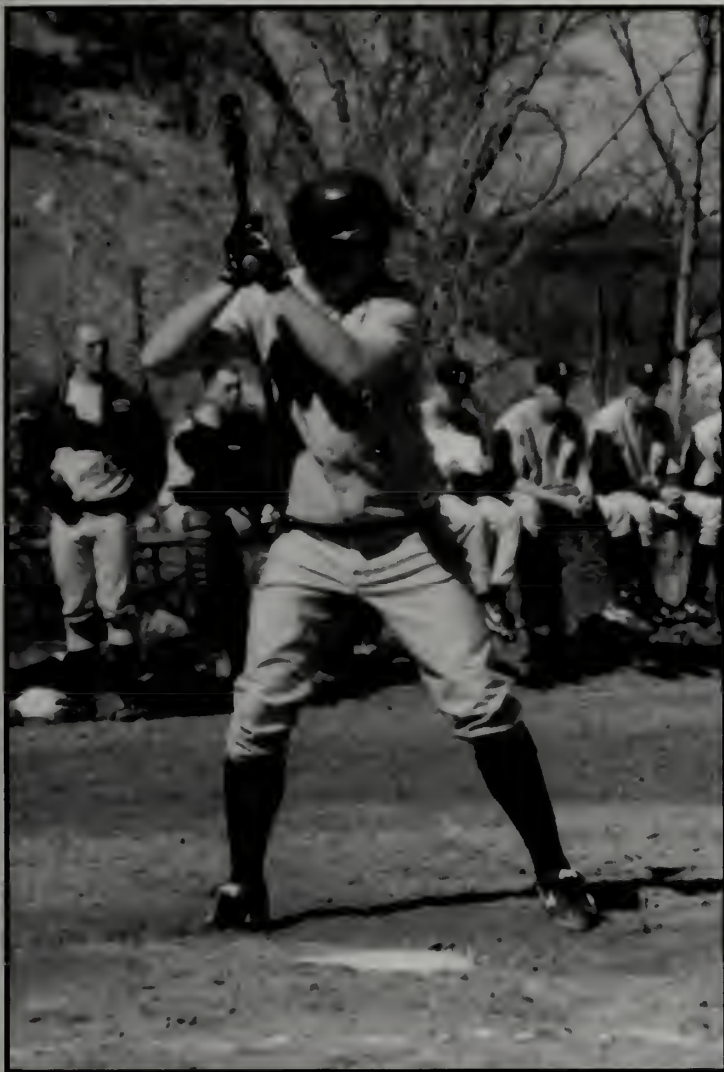

Returning for BMHS were senior Phil Haley, juniors Brian Meuse and Sean Glavin. The team's pitching staff was led by sophomore sensations Kevin Graham and Jim Wilson. Promising newcomers included juniors Sean Hutchinson, Mark Morreale, and Dan MacKay. Also transfer Steve Simolaris.

The boys' of summer started

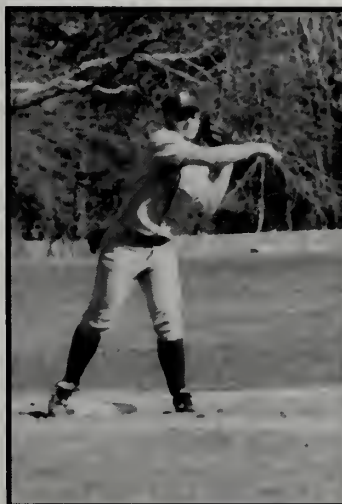

out on a winning streak and then ended up in a mid-season slump. Despite their record of 10-10 the Indians continued to have good chemistry and everyone got along. They all held one thing in common that also held the team together and that was a love for the game. In the tournament the boys showed their spirit and determination and beat two tough teams, Cambridge and W. Roxbury. But in the end the boys lost in an extra inning game against Arlington only 1-2. Their efforts and skills kept the team together and the boys wish next years team good luck.

Girls Softball

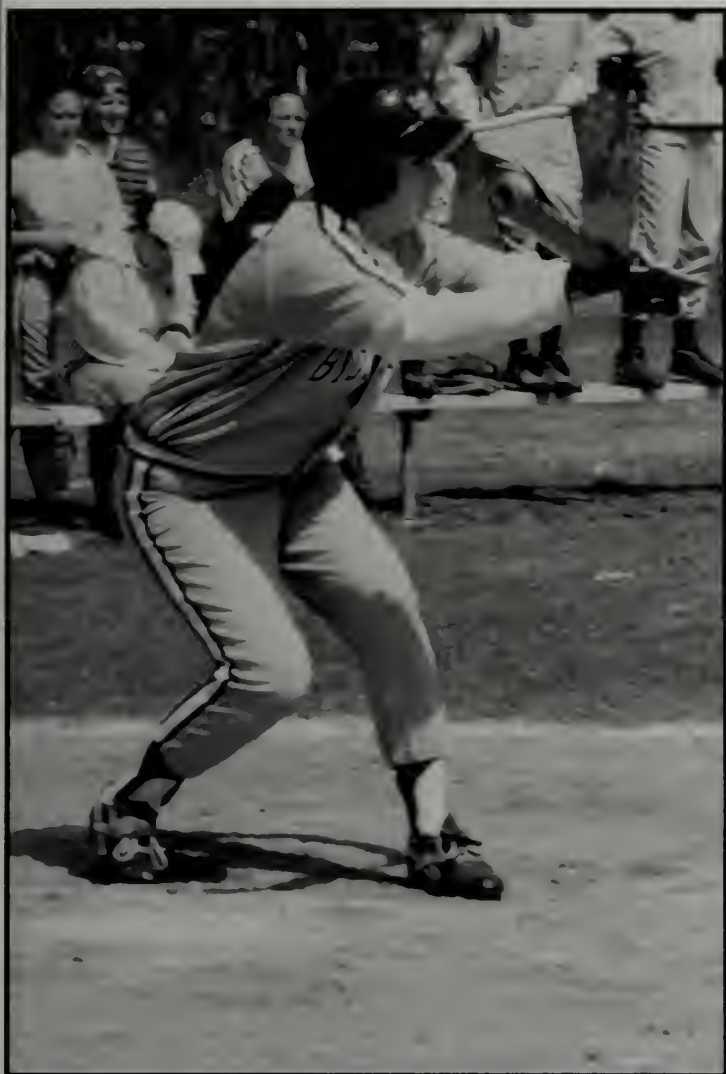

This year the softball team had an unfortunate season. They played hard but they did not catch breaks or have timely hitting to win games. Unfortunately they did not make the state tournament. They had great games against Chelmsford, Lowell, and Brockton. Many people had a great year. Stephanie Roy did a great job pitching and was selected All Star and All Conference. Catie Button also played very well, and was selected All Star. Nicole O'Leary, despite a broken hand, returned for the

Indians and tremendously helped the line up. Other contributions were from Jen Sparacino at third base and Danielle Chartier, Jess Wilson, and Erica Kelley.

A tough loss at Central Catholic eliminated the team from qualifying to make the State Finals, but their 7-13 record showed that these girls still have the skill and determination that always threatens the MVC. Good Luck next season.

Girls Tennis

The 2001 Girls Tennis Team had very tough competition in Division I this year. They bonded as a team, pushed their limits, and dedicated themselves to tennis the entire season. This year's team was led by Captains Liz Reinecker and Jocelyn Decoste. Top players in singles were Hannah Chavez, Nicole Fitzgerald and Liz Reinecker. In doubles Jaclyn Fitzgerald and Jenna Duprey finished the season with a winning record and the honor of being named Merrimack Valley All-Stars. The teams of Jocelyn DeCoste and Katleen Quinn and Michelle Marchany and Malia Callahan were also tough competitors this year in second singles.

Coach Granfield kept the girls on track again this year with her helpful advice. Unfortunately Jaclyn Fitzgerald broke her ankle late in the season and had to sit out for a week. Fortunately for the rest of the team, she helped to coach the team through tough matches. Hannah Chavez' two week absence from the team was also very detrimental to their success this year.

Even though the team ended up with a losing record, all the girls improved greatly and gained many friendships. The team is grateful to their captains and their coach for all the encouragement and great times. Good luck to all the girls in 2002!

Boys Volleyball

It was a roller coaster season for the boy's volleyball team. They broke out with an opening win against Dracut and their next win came over Westford. Throughout the season the team was led by outside hitter Captain Bobby Jones and middle hitter Captain Andy Jones. Bobby had been on a pace to break two of Billerica High School's single season records. He broke the digs record with 227 digs and 128 kill against Chelmsford. Bobby also shattered the kills record against Central Catholic, a game which they won. Andy was also on his way to break another Billerica High School single season record with 121 blocks.

A lot of the team's gratitude goes to the setter, Ryan Magnuson. Without him they wouldn't be the great team that they were. Almost the entire defense in the back row was thanks to Jason Spinney, who was second on the team in digs. Shoaib Malik and Mike Naughton contributed to the rest of the defense, and pitched in with their fair share of great serving. Chris Santoro and freshman Tim Goldsmith also made huge stops at the net with their blocking and hitting. Paul Capone and Aaron Tobey picked up the scraps when they were needed most. The great morale on the team this year made the team a team.

B.M.H.S. Theater Company Presents "GOD'S FAVORITE"

Neil Simon's "God's Favorite" is the amusing tale of a man put through hell to prove his devotion to God (in addition to helping God win a bet with Satan). Joe Benjamin (Rob Coughlan) is the wealthy owner of a cardboard box company who has made his way in the world from humble beginnings through a heavy reliance on God. He is doing just fine, minding his own business, when a quirky character named Sydney Lipton (Stephen DeMonico) claiming to be a messenger from God breaks into his house. From the message relayed by his bizarre intruder, Joe learns that Satan has bet God that any man, no matter how faithful, would renounce God if he (Satan) made the guy's life a living hell. In response to this, God says that one man would never renounce. Guess who he was thinking of?...of course, JOE BENJAMIN! So, over the course of the next few months, Joe is tested by God in many cruel and unusual ways, starting with the sudden destruction of his box factory. However, being a comedy, things find a way of turning out just fine. VERY deus ex machina!

Beating Mr. P at Tennis: PRICELESS.

With graduation rehearsal over the fun began. The Class of 2001 had many choices to fill class day at Cedardale in Groveland on June fourth. The weather could not have been better for the many outdoor activities. The hot tub was constantly filled with soon to be graduates. There were always students playing Mr. Flynn and Mr. P in tennis, awaiting their one chance to get back at their teachers. Mini-golf, basketball, wiffle ball, and swimming were all popular activities. The belly-flop brought smiles and giggles to everyone. The lounge chairs and buffet were popular choices after the hard days work. The six hours flew by as graduation grew near.

The day we had always looked forward to, graduation, had finally arrived. On June 6th, The Class of 2001 paraded onto the Marshall Middle School Field in a sea of green and white. The weather could not have been better for these eager students.

Graduation is not only a time for reminiscing, but also for looking on to the future. Both these points were expanded upon in the three speeches. Class President Ambika Wali spoke about the uniqueness of the Class of 2001. Salutatorian Rachael Barron compared graduation day to "Ferris Bueller's Day Off." Finally Mark Moseley, our valedictorian, spoke about the importance of school and our accomplishments.

This graduation was characterized by anticipation towards the future. With the ceremony over and our nerves back to normal, the Class of 2001 was ready to enter the world. Congratulations and Good Luck to everyone.

Top Right: Chris Casey and Mike Daly
catch their diplomas.

"Undoubtedly the future contains all aspects of the spectrum: misfortune, mistakes, happiness, and joy for each of us, just as the past has. But the many memories, the friendships, and everything we have learned here will remain."

Valedictorian
Mark Moseley

"Whatever the answers may be, what we have learned here at BMHS, will forever remain at the core of who we are and who we become."

Class President
Ambika Wali

Above: The Class of 2001 can't bear to part after the ceremony.

Right: Waiting for the turning of the tassel.

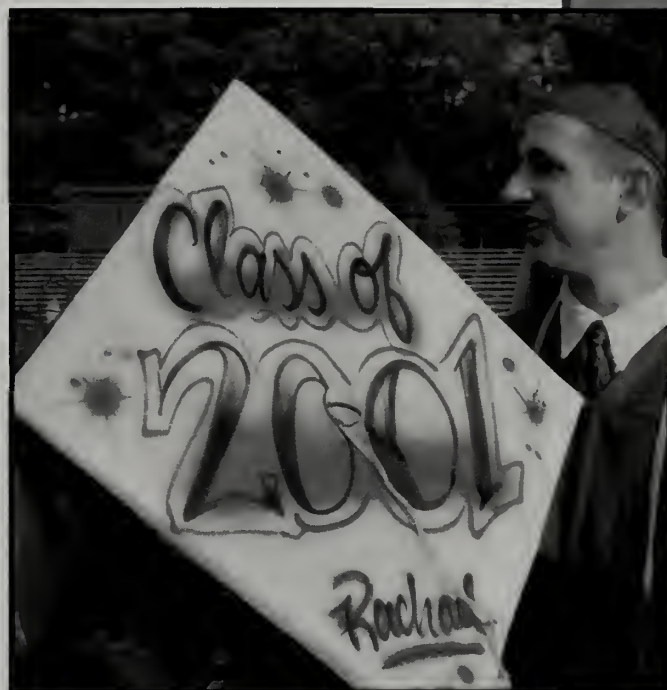

"We must be our own person instead of living a generic life. We must be Ferris Beuller. We do not want to look back in twenty years and wonder what we have done with our lives and if we have accomplished anything. We should all be so lucky to live the life spontaneous."

Salutatorian
Rachael Barron

 Having the Community Pull

 Time: PRICELESS

The all night graduation party was the last of the senior events for the Class of 2001. The night lived up to all the graduates' expectations. The activities lasted until 5 am with students constantly participating.

The fun included sumo wrestling, an obstacle course, jousting, a bungee cord race, karaoke, and trivia contests. Artists were available to draw caricatures. Of course, there were many prizes to be raffled off. The teachers got involved in the fun, as well. Mr. Piwowar ran the obstacle course along with Mr. Safier.

The graduates had no trouble staying up all night as the fun kept going. Unfortunately, the night came to an end. There were plenty of hugs and tears as the Class of 2001 said good bye to each other and their senior year of high school.

Top Middle: Mike Daly and Katie Fitzgerald go at it in Fooseball. Our money is on Katie. Above left: Bob Stanley and Tom Demers goofing off as usual.
